

Steering Group Members – Application Process

To apply for this job, please send us your CV and a maximum 1-page cover letter explaining the skills and experience that you can bring to our Steering Group by 8 June 2018 to info@campaigntogether.org

You may want to use the examples list we supplied in the job description.

Please help us build a strong and diverse organisation by also filling out and sending the Equal Opportunities Monitoring Form to the same email address. This is not a requirement, and this will not play any part in the decision-making process.

We will contact everyone who applies and will arrange interviews with those shortlisted between 10 and 20 June. If you are on holiday at this time, or cannot be available, but are a strong candidate, indicate this and we will be flexible.
